

## COVID-19 UPDATE 3 Yorkland Controls - Wiles Legault

Dear Valued Customers,

We continue to monitor the national and regional guidelines as they relate to business operations during the COVID-19 pandemic.

We are operating during normal business hours and are implementing health and safety protocols.

**HAND SANITIZERS** are available for customer and employee use

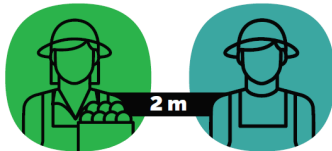

Our Staff and customers will be **STANDING 2 METERS** apart.

We are **LIMITING THE NUMBER** of customers in our branch locations and continue to offer **curb side pick-up of items**

We are **CLEANING and SANITIZING** the branches on a regular basis.

We have provided **masks and gloves** to our staff .

We have posted reminders of our protocols throughout our locations.

Stay 2 meters apart while working

Wipe equipment before and after use

Clean work surfaces often

Wear gloves when using equipment
